CONSTRUCTION AND

SURABAYA IS A GATE OF EAST INDONESIAN MARKET

Surabaya is Indonesia's second-largest city, and the capital of the province of East Java. As the main seaport and commercial center in the eastern region of Indonesia, Surabaya has become one of the largest cities in Southeast Asia. East Java provides a gateway to Eastern Indonesia, linking the country's economically isolated eastern provinces with its industrial heartland in Java. East Java's

links to Eastern Indonesia are well defined.

Indonesia undoubtedly views development of the eastern provinces as a high priority.
